CAREER OBJECTIVE

A Civil Engineer with more than 3 years of vast experience in infrastructure like Road/highway and Railway tunnels, Bridges and Railway Over Bridge and High rise buildings, Long span bridges, specialist in Retaining Wall as well as RE/MSE wall Engineer. Structural design of superstructure of well foundation bridge, Experience in supervision of RE/RS wall, MSE wall etc

EXPERIENCE

- **Tushar Construction company Pvt Limited**
Site Engineer
01/01/2017 - 30/06/2017
Visit Nd analysis the well foundation bridge construction, RE wall , retaining wall at over bridge ... ,belsand sitamarhi
- **Techno Infrastructure Pvt Ltd**
Site Engineer
1-7-2017 - 30-10-2019
Responsibility of whole Retaining wall, Friction slab crash Barrier, RE/RS wall casting Nd Erection Nd management accommodation
- **Gonard project Pvt limited**
Junior engineer training
10/07/2015 to - 31/10/2015
We learn a lot of things Nd clear basic technical point regarding tower building
- **Green Infrastructure system Pvt ltd**
Site Engineer(all in one)
5/11/2019 - Till now
As a site Engineer we HV to responsibility of managing the site requires things Nd casting Nd Erection RS/RE/MSE Wall, Retaining wall wall, Drainage system etc at kondmala site(chiplun)

EDUCATION

- **Dr.A.P.J.Abdul Kalam Technical University,Lakhnow**
B.Tech(Civil Engineer)
66.86%
2016-17
- **Marwari higher secondary school, Darbhanga**
I.Sc
60.2%

2012-13

- **Jawahar high school madhepur, Madhubani**

Matriculation

66.2%

2010

TECHNICAL SKILLS

- Able to interact with all age group Analytical thinking on every step of a project Smart working in a modern way Superior critical thinking Nd problem solving skills Ability to work independently Nd collaboratively Enthusiasm Nd commitment

PROJECTS

- **Recycled Aggregate**

45 days

Recycled aggregates

Recycled aggregates is a term used to describe crushed concrete or asphalt from construction debris that is reused in other building projects. This collection of construction refuse is mainly used for road base, cement concrete or other infrastructure projects.

Recycled aggregates concrete

Recycled aggregate concrete is defined as concrete manufactured with waste materials in order to reduce the negative environmental impact that results from the manufacturing process of cement, achieving a more sustainable product

INDUSTRIAL EXPOSURE

- ☒ INDUSTRIAL EXPOSURE Internship with P.W.D. Balrampur uttar pradesh during 10th June to 25th July 2016. During internship ,I Had learned a lot of things which is technically related to Roadways , highways Internship with Gonard project Pvt ltd, Vaishali during 30th July to 10 th august 2016. During this training period, I look nd feel the working capacity of tower industrial Building... Research project-Recycled aggregates concrete Published on International Journal of Innovative Research Science and Engineering ISSN(O) 2454-9665, ISSN(P)2455-0663 This paper can be downloaded from following link - www.ijirse.com ☒

INTERESTS

- MSE/RS/RE wall Engineer
- R.C.C.,Structure , Building material and construction
- Highways, Roadway, Railways engineering
- Estimate costing Nd planning Engineer
- Management consulting industry

ACTIVITIES

- ☒ ACTIVITIES Positive attitude towards work and great ability towards result oriented output. Excellent Communication/inter personal skills to interact individuals at all levels.

PERSONAL STRENGTHS

I m good in technology
I m well versed in civil engineering projects works
I m very confident with my passion
I believe in smart working
Superior critical thinking and problem-solving skills
Strong verbal and written communication skills

PERSONAL PROFILE

- Date of Birth : 10/08/1994
- Marital Status : Single
- Nationality : Indian
- Known Languages : English,Hindi, Sanskrit, Bhojpuri, Maithili
- Hobby : Reading newspaper Watching documentary film Tourist attractions Active on social media
- Driving Licence : BR-0720120024033

DECLARATION

I hereby declare that the information mentioned above is correct up to my knowledge and bear the responsibility for the correctness of the mentioned particulars.
