Professional Experience:

I have more than **6+ Years** experience in the field of Civil Engineering Construction activities of Major Highway Projects as per IRC specifications. Responsibilities Comprised of Construction and supervision of RE wall & Road work. i.e Embankment, sub grade, GSB, WMM. Preparation of top Layers within the tolerance.

Work skills:

RE wall construction in proper alignment. Preparation of Embankment, Sub grade, GSB, DLC according to MORT&H Specification. Construction of Friction Slab, Pedestrian Guard Rail, New Jersey Crash Barrier. Preparation of Sub Contractor bills. Documentation of Day to Day activities. Preparation of necessary work schedule according to targets and Controlling of Manpower & Machinery. Execution of miscellaneous highway works.

I am confident that I can independently handle the assigned tasks by monitoring the work schedule, Machinery etc.
